Herein are the prophecies of Hagin that grant you the heavenly counsels for this hour:

“Many of those here tonight are part of that army. You can be one if you so desire. Purpose in your heart that you will not be lazy, that you will not draw back, hold back or sit down. But purpose in your heart that you will rise up and march forward, and become on fire In the last days, men upon this earth shall walk and talk and act like God...” (‘The army of light’ 1977).

“Don't take up all your time with natural things. Some of those things are legitimate and it's all right to take a certain period of time there, but see to it that you give heed unto your spirit. Give your spirit opportunity to feed upon the word of God, and give your spirit opportunity to commune with the Father above. Build yourself up on your most holy faith by praying in the spirit. It doesn't take a lot of time, just an hour or two out of 24. Just pay a tithe of your time unto Me, saith the Lord, and all will be well with you. Your life will be changed. It will be empowered and you will be a mighty force of God ...” (‘Time with the Lord’, 1982).
